

August 1, 2006 – Rockville, MD – NetStar-1 recognized again by Cisco Systems, Inc. for Customer Satisfaction Excellence

Cisco Systems, Inc. (NASDAQ: CSCO), the worldwide leader in networking solutions, has again recognized NetStar-1 for achieving Cisco Channel Customer Satisfaction Excellence. NetStar-1 was previously recognized by Cisco for Customer Satisfaction Excellence in March of 2006.

Customer Satisfaction Excellence is the highest distinction a partner can achieve within the Cisco Channel Partner Program. Netstar-1 will be recognized for Customer Satisfaction Excellence in the Cisco Partner Locator (www.cisco.com/go/partnerlocator) with a special star indicator representing the achievement. Customers, Cisco personnel and partners will be able to identify NetStar-1 as having achieved outstanding customer satisfaction as part of Cisco's worldwide assessment process.

Channel Customer Satisfaction Excellence assessment is based upon the customer satisfaction results captured in the Cisco Partner Access Online tool (www.cisco.com/go/pal). Each quarter, Cisco acknowledges Certified Partners that have the highest customer satisfaction distinction within each geographic region.

“Cisco Systems is pleased to recognize and congratulate Netstar-1 for achieving Cisco Channel Customer Satisfaction Excellence. Customer Satisfaction Excellence is a core value we both share and a key driver of our current and future success. Thank you for your commitment to the success of your customers.”
